

# April Showers (1921)

**D7** **G**  
 Though April showers may come your way  
**D7** **G**  
 They bring the flowers that bloom in May  
**E7** **Am**  
 So if it's raining, have no regrets  
**Em7**  
 Because it isn't raining rain you know  
**D7**  
 It's raining violets

**D7** **G**  
 And where you see clouds up on the hills  
**E7** **Am**  
 You soon will see crowds of daffodils  
**Cm6**  
 So keep on looking for a bluebird  
**G** **A7**  
 And list'ning for his song  
**Am** **D7** **G**  
 Whenever April showers come along.
