

## There's a Thief in My Bedroom

**D** **G** **Em**  
There's a thief in my bedroom but I'm not afraid  
**A7** **D**  
Thieves all get caught by mistakes that they've made  
**G** **Em**  
This one has torn my emotions apart  
**A7** **D**  
Somebody's stealing my heart

**D** **G** **Em**  
Well somebody's kisses are wet on my lip  
**A7** **D**  
Somebody's face is at my fingertips  
**G** **Em**  
Somebody's holding me tight in their grips  
**A7** **D**  
Somebody's stealing my heart

**Instrumental on both stanzas, then sing it again.**

### Ukulele
