

# Far Away Places

(1947) 3/4 waltz time

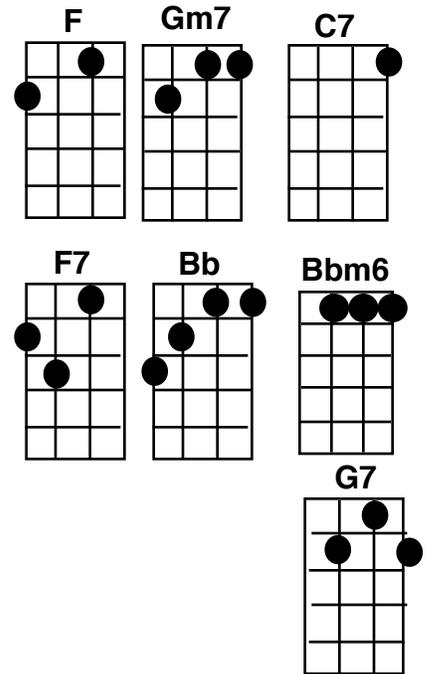

**F**  
 Far away places with strange-sounding names  
                                   **Gm7 C7**  
 Far away over the sea  
       **F**          **F7**                  **Bb**                  **Bbm6**  
 Those far away places with their strange-sounding names  
       **F**          **C7**  **F**  
 Are callin', callin' me.

**F**  
 Goin' to China, or maybe Siam  
                                   **Gm7 C7**  
 I want to see for myself  
       **F**          **F7**                  **Bb**          **Bbm6**  
 Those far away places I've been reading about  
       **F**          **C7**          **F**  
 In a book that I took from the shelf.

**Bb**          **Bbm6**          **F**  
 I start gettin' restless whenever I hear  
           **C7**          **F**  **F7**  
 The whistle of a train.  
       **Bb**          **Bbm6**  **F**  
 I pray for the day I can get underway  
           **G7**                                  **C7**  
 And look for those castles in Spain.

**F**  
 They call me a dreamer, well maybe I am  
   **Gm7 C7**  
 But I know that I'm yearnin' to see  
       **F**          **F7**                  **Bb**                  **Bbm6**  
 Those far away places with the strange-sounding names  
       **F**          **C7**  **F**  
 That are callin', callin' me.

## Ukulele

## Baritone
